

DISCOVER YOUR FUTURE WORKFORCE

With The Swarm Society

A division of HIVE Talent Acquisition Firm

What is The Swarm Society

The Swarm Society is a division of HIVE dedicated to one of the most invaluable resources- *Interns!* It is a collaborative effort devoted to the education, development, and placement of early career candidates with organizations that are interested in utilizing their untapped potential.

The Benefits of Having Interns

You will unlock numerous advantages when you open your doors to interns. Some benefits include:

- Receiving a fresh perspective from candidates
- Mentorship opportunities
- Enhancing of your social media strategies
- Promote organic growth
- **...And so much more!**

The Benefits of Working with Us

We will work to successfully match interns for your company. The HIVE team will do this by ensuring the internship candidates are not simply a skill fit, but also a culture fit for your organization. The interns will be pre-vetted and submitted to companies that match their major or interest in a career.

Our current relationships with over 50 local to Georgia colleges and universities gives us the intern head start we need...all that's missing is you!
